REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The art of record fails to teach or fairly suggest the combination of limitations recited in the broadest independent claim 19, in which at least two holes being within the packaging material surrounding the periphery of the lens array are aligned with respect to positions of the lenses of the array.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
